

Name	Infinium Concepts
Company Overview	The Infinium Concepts brands believe in giving oxygen to the creativity of entrepreneurs, inventors and digital start-up companies. We believe in innovation and helping people to follow through with their business ideas. We are at the cutting edge of the digital and mobile revolutions and have an array of different companies that can help turn ideas into reality. From developing an initial idea to the nuts and bolts of getting a venture up and running, our brands can breathe life into a business idea.
