Note: in any case, your comment will be displayed after admin approval.

1. Register / login

For login you can click on login link which is at top footer area.

If you are not register in the system click on register link. You also can change your password using the forgot password link.

The image shows a login form with the following elements:

- A text input field labeled "username" with a user icon on the right.
- A text input field labeled "password" with a lock icon on the right.
- A checkbox labeled "Remember me" which is checked.
- A "Sign In" button.
- Two links at the bottom: "Register" and "forgot Password?". Both links are enclosed in red rectangular boxes.

Enter your username and password and click on sign in button for login.
